DNS MARITIME SERVICES LLP
Structured Maritime Solutions for Global Trade

COMPANY OVERVIEW:

DNS Maritime Services LLP is a dynamic and professionally managed maritime service provider offering **Shipping Agency and Husbandry Agency Services** across major Indian ports including **Mumbai, JNPT, Kandla, and Mundra**.

We act as a **trusted representative of ship owners, operators, and charterers**, ensuring seamless vessel operations, regulatory compliance, and cost-efficient port calls.

A shipping agent is responsible for handling all operational, legal, and documentation requirements of vessels during port calls while protecting the principal's interests.

OUR VISION:

To become a **reliable global maritime partner** delivering efficient, transparent, and cost-effective port services.

OUR MISSION:

- Provide **24/7 operational support** to vessels
- Ensure **fast turnaround time**
- Maintain **high standards of compliance and reporting**
- Deliver **cost optimization for principals**

CORE SERVICES:

1. SHIPPING AGENCY SERVICES (PORT AGENCY) :

We provide **end-to-end port agency solutions** ensuring smooth vessel operations from arrival to departure.

Pre-Arrival Services

- Nomination acceptance & vessel planning
- Pre-arrival documentation & port formalities
- Berth booking coordination
- Estimated Port Disbursement Account (EPDA) preparation
